Dear Conover Road Primary School Families,

With the winter chill officially in the air (and apparently not leaving anytime soon), I am writing to remind you of the times our school will be in session in the event of a delayed opening. Our classes will meet as follows when inclement weather necessitates a delayed opening:

AM Preschool: 11:00-1:00

PM Preschool: 1:00-3:15

Full-Day Preschool, K, 1, 2: 11:00-3:15*

*Lunches will be held on days with delayed openings

Please make certain that you have registered for the School Messenger system that will send out phone messages or e-alerts in the event of a delayed opening or school closing. You may check that your account information is complete and up-to-date by visiting www.coltsneckschools.org and selecting the "Parent's Corner" tab. Follow the prompts for the School Messenger page.

Additionally, information about school closings or delays will also be posted on our district home page.

Thank you for your attention to this matter.

Sincerely,

Tricia Barr
